THE BRIDE

BRIDESMAID GUIDE

Preparing For The Wedding Day

We are very excited to see you on Saturday, September 4th at the Ritz Carlton to help make you beautiful for Marissa's wedding! We want to make sure that everything runs smoothly so we have outlined some guidelines below.

START TIME

To ensure that things run smoothly and we get everyone done on time, we ask that everyone arrives at the start time of **10am**.

PREPARING FOR HAIR SERVICES

If you are having hair services done, please arrive with your hair clean and completely dry. It is also suggested that you wear a button down shirt.

The first thing we will want to find out is if your bride has any specific guidelines for your hair. After that, we will consult with you personally to find out your likes and dislikes. It is helpful but not necessary for you to have photos of hairstyles that you like. You can [CLICK HERE](#) to view a gallery of popular hairstyles.

Although it very rarely happens, there may be a circumstance in which a style that is requested by a bridesmaid is too time consuming and would threaten the likelihood of our completing services on time. If this were to happen, we do reserve the right to refuse accommodating such a request but will be happy to suggest alternate styles.

PREPARING FOR MAKEUP SERVICES

If you are having makeup services done, we ask that you come with your face completely clean. We also suggest that you bring or apply your own moisturizer. Finally, for sanitary reasons, we ask that you bring your own mascara (waterproof is suggested). Other than that, we provide all necessary makeup.

False lashes can be purchased the day of the wedding for an additional charge of \$10.

SANITATION PRACTICES

We want to ensure you that we take every precaution with a extensive sanitation and sterilization process to ensure your safety, health and well being.

GRATUITY

Although it is not required, if you are satisfied with your service, it is customary (and very much appreciated) to tip your stylist upon completion of services. Cash or Venmo is accepted.
